Putin: "We would like to see an end to anti-Russian hysteria, to pressure on the media, pressure on business" President Vladimir Putin has given a speech on issues pertaining to the economy and investments, and has rejected accusations of wrecking the economy. In a speech before the Russian parliament, Putin called the West's stance to sanctions on Russia an attempt to "make a job for themselves." He warned that similar action would be taken against the US and the European Union, in the form of sanctions. But he sought to make clear that, for Russia, a swift end to the sanctions was a far more pressing concern.Q: How do I force INSERT to fail for non-integer values? I have a table with an IDENTITY field. I want to force the insertion of new records to fail if the value already exists. Here's what I'm doing: First, set the autonumber to -1, thus it should be left to the insert alone: USE [MyDB] ALTER TABLE [dbo].[MyTable] SET IDENTITY_INSERT [dbo].[MyTable] OFF Next, force any inserts to fail if the ID already exists: USE [MyDB] CREATE TRIGGER [dbo].[MyTrigger] ON [dbo].[MyTable] AFTER INSERT AS BEGIN SET NOCOUNT ON SELECT @MyTableId = CAST(INSERTED.ID AS INT) DECLARE @MyTableIdResult INT SELECT @MyTableIdResult = CONVERT(INT, @MyTableId) IF (SELECT TOP 1 [MyTableId] FROM [MyTable] WHERE [MyTableId] = @MyTableIdResult) IS NOT NULL BEGIN ROLLBACK TRANSACTION RAISERROR(N'ID Already Exists aa67ecbc25

In 2011, we released Selling Higher Volumes which teaches merchants how to profitably increase their sales volume. Our latest, On the Move, is the industry's most comprehensive guide to moving from the left coast to the right coast. Despite the titles we've written, we've still only scratched the surface. Along the way, we've found that many businesses lack an export-oriented focus, understand little about sales volume or are completely unaware that margins are a luxury, not a necessity. We're far from being the world's greatest retailers, but we've been blessed with a healthy sense of humor and an ability to communicate. That's why we've decided to share our lessons with our readers. Amazon: On The Move The Year to Sell Higher, Conquer the World and Make More Money If you've read our "Only
