## What's New In MB Free Vastu Shastra?

MB Free Vastu Shastra is a unique, easy to use and interactive Vastu Shastra software. Vastu Shastra has been one of the most trusted and practical tools for architectural planing, interior design, forecasting and Feng Shui since ages. MB Free Vastu Shastra provides detailed solutions to all the problems related to Feng Shui, to keep your house clean and happy. The program was developed keeping in mind the recommendations of the internationally renowned guru, Deepak Chopra. The program is a unique Vastu Shastra software. The application is specially designed to assist in the creation and interpretation of house plans, rooms and zones to ensure optimum harmony. The application can be used for family, indoor and outdoor space planning. Feng Shui or Energy in Chinese means water and fire. It is a branch of traditional Chinese medicine. In feng shui, basic principals are used to design and create a living space that is functionally healthy. In western philosophy, feng shui is similar to the theories of landscape architecture. "In this version of MB Free Vastu Shastra, we have developed another exclusive and versatile version, which is the MB Free Vastu Shastra Free version. The main difference between the Free version and the Standard version of MB Free Vastu Shastra is that the standard version has a web server component embedded in it. This web server is basically a software which was developed for the Standard version of MB Free Vastu Shastra. Once you download the Standard version of MB Free Vastu Shastra, the web server component embedded in it will automatically launch in the background and starts sending you web pages on a daily basis." - Deepak Chopra Advertising ID (Ad ID) is the code used to identify and track your ad in Google AdSense.
